

**PHYSICIAN/PARENT REQUEST FOR
ADMINISTRATION OF MEDICINE OR SPECIAL PROCEDURE BY SCHOOL PERSONNEL**

Special health care procedures and medications may be administered at school by designated employees of the district when such treatment is necessary for school attendance. Medication or special procedure may be administered by a school nurse or employees designated by the principal. The medication is administered either from a container that appears to be the original container and properly labeled by the pharmacy or from a properly labeled unit dosage container filled by a school nurse or designated district employee. This completed form along with the medication and/or special equipment items are to be brought to the school by the parent.
