

Use your Dallas ISD email to register. If you already have a Canvas account, you may sign in at the top right. Please do not create multiple accounts.

The screenshot shows the 'EDUCATOR INFORMATION' registration form on the TEA website. The form includes fields for 'First Name', 'Middle Name', and 'Last Name'. Below these is a 'TEA Unique ID' field with a 'I don't have one' checkbox. There is also a 'Campus' dropdown menu with a 'I don't have one' option. At the bottom, there are fields for 'Account ID/Date' and 'Current Action'.

Your final step is to go to the email you received from Instructure Canvas to complete your registration process and set up a password
