

the 1990s, the number of people in the world who are poor has increased. The number of people who are poor in the United States has also increased.

There are many reasons why the number of people who are poor has increased. One reason is that the world's population has increased.

Another reason is that the world's economy has not grown fast enough to keep up with the population growth.

A third reason is that the world's resources are being used up too fast.

There are many other reasons why the number of people who are poor has increased.

One of the most important reasons is that the world's economy is not growing fast enough to keep up with the population growth.

Another important reason is that the world's resources are being used up too fast.
