

A district shall maintain policies and procedures to ensure that effective planning and site-based decision making occur at each campus to direct and support the improvement of student performance for all students. *Education Code 11.253(a)*

A district shall establish campus-level planning and decision-making committees as provided by Education Code 11.251(b). (e).

The committees shall include representative professional staff, parents of students enrolled in a district, business representatives, and community members.

*Education Code 11.251(b), .253(b)*

A board shall adopt a procedure, consistent with Education Code 21.407(a) [see DGA], for the professional staff to nominate and elect the professional staff representatives who shall serve on the campus-level committees. If practicable, a committee shall include at least one professional staff representative with the primary responsibility for educating students with disabilities.

At least two-thirds of the elected professional staff representatives must be classroom teachers. The remaining staff representatives shall include both campus- and district-level professional staff members.

*Education Code 11.251(e)*

Board policy shall provide procedures for the selection of parents to the campus-level committees.
