

Assigning Students to Multiple Career Center AM or PM

In order for students to participate at the Multiple Career Center, the home campus must remote enroll the student at MCMC. Once the home campus completes the remote enrollment, the MCMC counselor will then schedule the student. Their courses will then appear in Bell Schedule view.

Remote Enrollment

1. From the Start Page search for the student and click on the student's name.

2. In the left menu under Enrollment, select Functions.
3. Click Enroll Student in Remote/Summer School Class
