

**Thomas Tolbert Elementary School
4000 Blue Ridge
Dallas, Texas 75233**

Information for families about how students will be invited to attend the intersession “accelerator” week at the start of next school year: **August 4th - 6th**

What is the purpose of the Intersession “Accelerator”?

The Intersessional Accelerator is a way to bridge the academic gaps created by the pandemic. During this accelerator we will focus on the acclimation of Pre-K students to their school day and it will provide an opportunity to our 3rd and 5th grade students to receive additional support in the areas of reading, math, science and social studies.

Which students will be invited to the “Accelerator” on August 4th-6th?

Students in Pre-K, 3rd and 5th grade will be invited to attend on August 4th, 5th and 6th.

What does that mean for your child? If your child is invited to the Intersession “Accelerator”, when will you receive that invitation?

Information about Accelerator Days will be communicated multiple ways:

The invitations/flyers will be sent home every Wednesday in the month of May. School Messenger will be used also to invite students in the targeted grade levels.

Teachers will post the invitation on their Google Classroom and Seesaw Accounts.

All invitations will be returned by June 7, 2021.

When is my child’s first day of school if they do not attend the August Intersession “Accelerator”?

August 9th is the first day of school for all students who **do not** attend the August intersession.
