LOGGING INTO A CHROMEBOOK WITH A CLEVER BADGE (QR CODE)

Follow the steps below to sign into your Chromebook with your Clever badge/QR code:

1. Open your Chromebook, on the sign in screen, select **Log in with Clever badges**. This will open the web camera for the student to hold their Clever badge/QR code in front of the camera.

2. Hold the Clever badge/QR code in front of the camera to scan. A green check will appear on the screen once the sign on is complete. The student is now signed into their Chromebook.

Note: If you are signing into your Chromebook for the first time, you may get a message asking to turn your web camera on. Click **Allow** to turn on the web camera.
