child, please follow the instructions below!

## AT THIS POINT YOU SHOULD SEE THE WELCOME PAGE!

- If your student is already connected to the account, you should see a couple of tabs under their name. Click the tab that says “ **[Child’s name] Registration** ” to begin completing the forms!
- If you need to add a student, please follow the prompts on your screen to begin the appropriate forms (either PreK or K-12) **Returning students** will need their DISD student ID to continue. This can be obtained from a Dallas ISD report card, within your PowerSchool account, or from a school or central staff employee.

After you have successfully submitted the registration forms, you should receive a confirmation page and email. Congratulations! You have successfully registered your child for the 2021-2022 school year!
