Accountability Ratings

This measures how much students are learning in each grade and whether or not they are ready for the next grade. It also shows how well a school or district prepares their students for success after high school in college, the workforce, or the military. State accountability ratings are based on three domains: Student Achievement, School Progress, and Closing the Gaps. Scores are scaled from 0 to 100 to align with letter grades.

Overall Rating

Student Achievement

School Progress

Closing the Gaps

Local Accountability Performance Details

This district has an approved local accountability plan. Please contact your district for more information.

Academics

Student Information

This section provides demographic information for students in the school. The data is presented in a table format. The table includes columns for student characteristics and their corresponding percentages. The data is as of the end of the reporting period.
