Student Passwords

Parent Password Guide

The screenshot shows the Dallas ISD Parent Student Login page. A large red rectangular overlay covers the central portion of the page, obscuring the login form and some text. Visible text includes the Dallas ISD logo at the top, the heading "PARENT STUDENT LOGIN", and a note stating: "NOTE: A student's AD password is the same as their Powerschool, Microsoft, and Google password." Below the note, the text "INITIAL STUDENT PASSWORD" is visible, followed by "When a student needs assistance with their password, below are key points:". On the right side, a numbered list is partially visible, starting with "3. Login with their Dallas ISD EAD Credential" and "a. EAD/Student b. EAD password". At the bottom right, the text "4. Click Sign In" and "5. They will be re" are visible. The background of the page features a colorful, abstract pattern of dots and lines.
